

Vacancy announcement for the Hungary-Slovakia-Romania-Ukraine ENI CBC Programme Joint Technical Secretariat

Programme Manager position

The objective of the Hungary-Slovakia-Romania-Ukraine ENI CBC Programme is to develop and realise cross-border cooperation projects in the specified programme area. In order to achieve its goals the Programme sets up a professional and effective JTS with international staff covering the programme area. Currently the Programme is seeking for an additional educated and experienced professional for the position of Programme Manager.

The **Joint Technical Secretariat (JTS)** is responsible for the day-to-day programme management, supplies potential applicants with information, provides advice during the application process and following the project activities until the project closure. The JTS assists the Joint Monitoring Committee and the Managing Authority in carrying out their respective duties. The JTS is established within Széchenyi Programme Office Non-profit Llc. in Budapest. The **duties of the JTS** include activities related to general programme co-ordination and implementation, technical and administrative management, information and publicity activities, project development and selection. More specifically, this includes the conclusion of reports; the preparation of proposals for programme amendments; the organisation of technical meetings, workshops and info days; the promotion of the project generation activities and participation in the project selection process; the management of the joint partner search database and the updating of the programme's website; secretariat tasks in support of the Joint Monitoring Committee including preparation of documents, decisions, minutes and reports; contribution to the regular updating of the programme monitoring system, incl. data insertion into the system.

In order to have a broader view on the Programme and the tasks of the JTS please check out the website of the Programme at <https://huskroua-cbc.eu>
